

Privacy Policy

Global Santa Barbara, CA 1-805-308-6094 sales@idriveGlobal.com *idrive* is GDPR (General Data Protection Regulation) compliant. *idrive* may own information you have provided through a form, request, contract or e-mail.

This information may include, among other things, your name, address, telephone numbers, information on how you use *idrive* Global services and products.

1. COLLECTED INFORMATION

- a. Information about your computer: your visits on our site, how you use our website, your IP, geographic location, type of browser, how long you stay and how many pages you visit on our site;
- b. Information about your company;
- c. Your first and last name;
- d. The phone number where you can be contacted;
- e. Your e-mail address.

2. HOW WE USE YOUR PERSONAL DATA

Collected information about you may only be used by the company for purposes related with marketing of *idrive* products and services, such as:

- a. Processing your orders or requests;
- b. Offering you products and/or services;
- c. Billing;
- d. Solving requests, questions or complaints made by you;
- e. Perform market and product studies;
- f. Analytical data processing, using Google Analytics;
- g. Contacting user (including by post, e-mail, text or phone) about *idrive*'s product and service offerings.

3. DISCLOSURE OF PERSONAL INFORMATION

Besides disclosing the information reasonably, necessary for the purposes identified in other sections of this privacy policy, we may disclose information about you:

- a. If it is required by law;
- b. In connection with any legal action or possible legal action;
- c. In order to establish, exercise or defend our legal rights.

In addition to what we mentioned in this privacy policy, we will never provide your personal information to third parties.

4. USER RIGHTS

All information requested by the user will be provided free of charge, electronically, within 15 business days of request. So user have:

- a. The right to request access to the personal data that idrive holds;
- b. The right to request information about how personal data is used;
- c. The right to request from idrive to delete personal data, for example: when an user is no longer a client of idrive or when an user knows that he has provided personal data that he does not want idrive to use;
- d. The right to restrict the use of personal data, meaning that idrive will be able to store personal data but will not be able to use it;
- e. The right to be inform in case of violating/stealing of data security via e-mail within 72h from the moment the company detects the problem;
- f. The right to request immediate stop of the processing of personal data for marketing purposes.

5. COOKIES

idrive use the information obtained from the cookies, to manage the site and for improving the use of the site.

idrive can also use this information to personalize our site and to recognize your computer every time you visit it.

idrive use Google Analytics to analyze how is used our site. Google Analytics generate statistical information and the generated information is used to create reports for the use of the site. Google will store this information. The Google Privacy Policy is available at: www.google.com/privacypolicy.html .

6. INTERNATIONAL DATA TRANSFER

idrive is the only owner of the collected information on this site. Personal data information of users will not be sold, changed, transferred or given to any other company, for any reason, without the consent of the user other than necessary for

the execution of an application and / or transaction, for example to send an order/offer.

7. SECURITY OF PERSONAL INFORMATION

idrive enforces a variety of security measures to maintain the security of your personal data. Only employees who need to perform a particular task (e.g., billing or customer service) have access to personal identification information. Computers/servers used to store personal identification information are kept in a safe environment.

8. PERSONAL DATA UPDATE

Please let us know if the personal data we keep about you requires updates.

9. PRIVACY POLICY UPDATE

idrive reserves the right to change, modify, or update the privacy policy at any time, but will not reduce the level of protection within it.

idrive takes privacy issues seriously and plans to remain at the forefront of privacy and data protection. We will periodically update the privacy policy, we will display the news on this page and we will notify by email all the users who sent us their personal data.

10. CONTACT
